78	SW does support players at different levels of the game. The provision of coaching for superchamps teams is a great idea, but perhaps it could be made better by having the teams coaches being provided with more early on so they can actually help their teams throughout the year as often the coaching comes late in the piece and there isn't a lot of time for meaningful change. This is why capability and capacity for coaching is importing so it isn't just about the 1%	11/1/2020 10:38 PM

82	How the fuck can you have 15 point to priortise, and not ONE of the is marketing squash in wellington. If you think that's beyond your capabilities squash is already dead . Eve ntgis survey is so poor, I cant go back and spell check what Ive typed.	11/1/2020 9:46 PM
83	Seems to focus on interclub and superchamps well. What is should continue doing is trying to get the Junior high performance coaching happening so our good juniors get going earlier in the year, like Auckland, Waikato, BoP do.	11/1/2020 9:45 PM
