Pool Qualification Rules																	
1 Where two teams have the same number of wins, the higher placed team is the winner of the tie between those two teams.																	
2 Where three teams have the same number of wins, the placing will be decided on number of matches won, then games won, then points won.																	
3 Should there be a tie between two teams after the previous rule, then rule 1 applies.																	
4 If there is still a tie after rule 3, The the placings will be determined by drawing lots
